For maximum load and reload values, South African Reserve Bank Exchange Control Regulations apply.

\*Some ATM operators and merchants may charge a fee or set their own withdrawal or purchase limits. Please confirm whether any fees or limits apply before making a withdrawal or purchase.

\*\*Applied when a purchase or ATM withdrawal is carried out in a currency either not loaded or insufficient to complete the transaction, and the cost is allocated against the other currency/ies used to fund the transaction.

\*\*\*Such fee will be waived if there is no remaining balance following the debit of any monthly inactivity fee.

\*\*\*\*Fee applied when transferring funds between currencies available on the card (subject to the applicable exchange rate and currency conversion fee).
